Landspeed Records is proud to announce the release of "Essential Underground Hip-Hop Volume 2," a two-disc compilation featuring heavy hitting rap artists such as The Game, Nas, AZ, Capone, M.O.P., Kurupt, Jay-O-Felony and the Diplomats alongside classic material from Ghostface, Mobb Deep, The Alchemist, Royce Da 5"9 and more. The set will be released on February 8th.

There are also pairings that deliver the exclusivity in-the-know fans require: AZ teamed with the legendary CL Smooth on the aptly titled "Magic Hour" and Freeway and Cormega see eye-to-eye on the anthemic "Squad Up" remix.

Underground hip hop is experiencing a renaissance with the re-emergence of street level artists like Mobb Deep, Nas and The Alchemist. "Essential Underground Hip-Hop Volume 2" captures this movement's momentum and presents it in a package that is too good to be true. With over 30 songs for just $9.98, this compilation is unbeatable.
