The 6th solo album from west coast gangsta rap legend Mack 10 is due out September 27th. 'Hustla's Handbook' is not a hip-hop album; it is the pure west coast rap that Mack 10 is known for.

"Like This," the LP's first single featuring another hip-hop/rap notable Nate Dogg, recently began spinning on radio stations across the nation. The album also features guest appearances from B-Real of Cypress Hill, Butch Cassidy and Red Café among others.

Mack 10's 'Hustla's Handbook' is scheduled to hit stores September 27th on Capitol Records.
