

Yafeu Fula - aka – Kadafi

Yafeu was born (October 9th, 1977) and raised in Irvington, NJ. Like most Outlawz, Kadafi had a troubled youth. At the age of 5 his father went hiding for the Feds and his mother was a member of The Black Panther Party. Yaasmyn Fula (Kadafi's mom) was bloodsisters with Tupac's mom. So that's how Tupac and Kadafi knew each other. Kadafi and Napoleon know each other from when they were kids. Napoleons aunt was real close with Yaasmyn. Napoleon and Kadafi frequently their birthdays together since Napoleons birthday was only 2 days after Kadafis. Yafeu was the third original Outlaw. He started in the rapgame at the age of 16. He was in groups like The Plague and Dramacydal. His alias Yak comes from his time with Dramacydal. With The Outlawz he gets the alias Kadafi after Muammar Qaddafi. Kadafi was probably the most gifted Outlaw, lyrically. He was murdered (November 10th, 1996) in a third-floor hallway of a housing project in Orange, NJ, where he was visiting his girlfriend. The murder was probably a drug-transaction gone wrong. He was found and taken to University Hospital in Newark where he died from his wounds. He was only 19 years. Two minors are arrested. Kadafi, Thug In Peace, The Good Die Young.
