Wu-Tang Clan has released a new CD plus a DVD containing live performances from their concert in San Bernardino, CA on July 17, 2004. The album and DVD is in stores now and are both called Disciples Of The 36 Chambers: Chapter 1.

Besides 34 different songs, the DVD contains many bonuses including never before seen footage from the archives plus interviews from the day of the show.

The DVD also has many bonus features including never before seen archival footage and interviews from day of show (with all members except ODB and GZA).

However the CD version contains 27 tracks, but has two different bonuses: the never before released video from RZA for the song Chi Kung and the video Grits with Masta Killa.
