It is easy to see why everyone wants Lil Eazy-E. If you hear some of the tracks off his upcoming album or you get to talk to him, you can see he has charisma like his father, Eric “Eazy-E” Wright and similar to Tupac also. He is serious about what he is doing and he is real about it and doesn’t say what you want to hear but he tells it like it is, and that’s real. He is just a likeable guy with quality people behind and around him. He is a total ‘class act’.

This giveaway shows where he is at. He has luv for his fans and for the fans of his father, and his fans definitely have luv for him. When I told his camp that the giveaway was off the hook, with out hesitation they put up another – for the fans. Now that is respect and making sure that Lil Eazy-E’s fans get what they want.
