Popular west coast rap artist The Jacka is well known for being part of rap legend C-Bo's 'Mob Figaz'. A debut solo album in 2001 'The Jacka', brought more success for the Bay Area hip-hop rap artist; selling over 50,000 units.

The Jacka dropped his second solo album 'The Jack Artist' in March. His diverse tracks that touch on so many different issues make his music always fresh and greatly anticipated by those in the hip-hop culture.

Jacka has always shown strong commitment to his large national fan base. Not only touching and reaching out to those in the Bay Area, Jacka has a wide fan base that reaches far from his Bay Area roots and thru his many tours and shows he reaches out to all his fans on a personal level.

Thanks to The Jacka himself and his Golden Mean Management team we are proud to have his new album 'The Jack Artist' as our newest give away.
