The 6th posthumously released studio album from the late hip hop icon Tupac Shakur (2Pac) has seen its official release on November 21, 2006.

Like the song Pac's Life says "only real niggaz stay on top", and Tupac (2Pac) has remained on 'top' in hip hop culture, even after his passing over ten years ago. The album commemorates the 10 year anniversary of the late poet, activist, actor, hip-hop icon and rap legend.

Thanks to "Amaru, Interscope Records, Dennis Dennehy, Lauren Burns and Interscope Publicity"; ThugLifeArmy.com and their media partner CRNLive.com are pleased to offer the "Pac's Life" album on vinyl as this months Hip Hop Giveaway.

Tupac (2Pac) remains one of hip hop's greatest icons. His life was short but his impact on so many, even outside the realm of hip hop and rap circles, continues to this day.

Thru the work of his mother Afeni Shakur and all the staff at TASF (Tupac Amaru Shakur Foundation), the legacy of this hip hop icon continues to grow and blossom world wide. The genres of hip hop and rap have never seen, nor will they ever see, another man with the charisma and appeal of Tupac Shakur (2Pac). His life was 'our' life and his passing is our loss. But he remains in the hearts and minds of many because of the truth that was in his words.

Don't sleep on this one. Deadline for entries is April 15th. Go [HERE](#) to register for this months Hip Hop Giveaway of Pac's Life on vinyl.
