The Hip Hop Congress will host its 2nd Annual Minnesota Summit: "Politics, Globalization and the Hip Hop Generation" from Friday, February 16th through Sunday, February 18th, 2007.

Don't fall into the trap of assuming that Hip Hop Congress means drugs, guns, and scantily clad women. The Hip Hop Congress highlight the entire Hip Hop spectrum and advocate a broader vision of Hip Hop culture than the stereotypes often seen on TV and Radio.

Hip Hop Congress (HHC) is an International Grassroots Network that educates, empowers, and unites individuals in the hip hop culture. They preserve and evolve Hip Hop by inspiring social action and cultural creativity within the community.

Drawn from an evolving Black Historic and Cultural Forms, the Summit will be an opportunity to connect this modern cultural expression to Concordia's broader programming in celebration of Black History Month.
