MTV News' Hip-Hop Brain Trust, moderated by MTV News' Sway Calloway, has reconvened to once again debate and decide the greatest hip-hop groups of all-time. The expert panel comes up with their picks for the 10 Greatest Hip-Hop Groups of All-Time.

MTVNews.com will start counting down from February 26-March 1st culminating with "The Greatest Hip-Hop Groups of All Time" premiering on MTV2 on March 4th at 2PM (ET/PT).

Members of the selected groups have all participated in what is sure to be the biggest discussion in hip-hop for the coming months.

MTV's hip-hop experts include staffers from the network's News and Music Programming departments. This group also debated on the "10 Greatest Hip-Hop Albums of All-Time" and the much talked about "Greatest MCs of All-Time." Fans are still writing into MTVNews.com's "You Tell Us Section" to debate the previous two lists.
