Hip Hop “Queen of the Coast,” rapper Gail Gotti has confirmed that she and rap artist and hip hop entrepreneur Kurupt, of the gangsta rap crew the Dogg Pound, got engaged on Christmas Day.

Gail Gotti is one of the members of the Infamous G-Unit family and owner of Night-In-Gail Entertainment. Gail Gotti is easily one of the hottest hip hop female artists out now. Her ability to rap with anyone in hip hop is a strong example of her talent and her love for hip hop.

When asked about their future vows and plans, Gail said, “words could never describe the love and passion that we have for each other. What helps make our relationship so strong is that we are best friends. We are both excited and more than ready to take this next wonderful step together. We are looking forward to sharing this joyous occasion with our families and closest friends.”

Hip hop notable and gangsta rap artist Kurupt proposed with one of the most sought after engagement rings a girl can dream of; the Schlumberger Signature Ring from Tiffany & Co.

While no official date has been set yet for the wedding, you can expect an “A” list Hollywood celebration starting the festivities with a very hip “A” list engagement party to be held in New York City at the end of March.

Congratulations to Gail and Kurupt and our best wishes go out to them. We will let you know more as it becomes available.
