After 5 Years on the East Coast, AMG will be opening a West Coast Division. The west coast location will focus on Hollywood opportunities. This comes after having a major movie and major TV show on the table. Of the move Anonymous said, "We need to find new forms of revenue and branding for artists. Hollywood only has one thing over Hip-Hop. Hip-Hop will only make you famous. Hollywood will make you rich and famous."

Anonymous Music Group is a leading entertainment brand with divisions focused on mobile media, duplication, distribution, street team vans, TV commercials, guerilla marketing and myspace promotion. Owner Anonymous is a hip hop and rap impresario who's independent spirit has touched the lives of many. This media mogul has been co-signed by the largest stars in entertainment. AMG is signing 52 artists for the 2007 roster. If you have what it takes email
