Latino hip-hop phenomenon MC Magic, founder and producer of NB Ridaz/Nasty Boy Klick, writes lyrics, produces music, and pretty much has created the style which is call "Latino Hip-Hop Ballads".

The Latino hip-hop marvel MC Magic is back with his new solo joint 'MAGIC CITY'. The current single "Sexy Lady" has been blowin' up at radio and now the second single "Tenderoni" is starting to heat up.

Latino hip-hop / rap artist MC Magic, the Master of the "talk box" made famous by the late Roger Troutman; has poured his heart into this very deep and personal release, recruiting heavy hip-hop and rap hitters Chingo Bling, DJ Kane, Baby Bash and Guerilla Black just to name a few.

The result is a tight intricately woven "I have arrived" album 'Magic City'. If you love Latino hip-hop and rap or need to be introduced to Latino hip-hop and rap this is one album you need to get. Album is in stores now and available also on line.
