Legendary hip-hop group Bone Thugs-N-Harmony is releasing a new studio album September 19th, 2006. This self-titled album will be the sixth album from the hip-hop notables as a hip-hop / rap group.

In the hip-hop groups career making rap music, all of the group's previous albums have gone either gold or platinum making the way for this highly anticipated album.

The first single is called "Fire," which will be serviced to hip-hop and rap radio stations in July. This is Bone Thugs-N-Harmonys' first album as the new hip-hop trio rap group. Rap artist Bizzy Bone is no longer in the group.

Watch for the Bone Thugs-N-Harmony release Sept. 19th on Koch Records.
