In 1996, gangsta rappers Ice Cube, Mack 10, and WC formed the side-project Westside Connection to lay down chunky beats and forceful rhymes in a ghetto-fabulous tribute to all things West Coast. GANGSTA NATION LIVE profiles the supergroup through interviews, behind-the-scenes footage, and live performances of tracks like "Bow Down," "Call 9-1-1," "We Be Clubbin'," "Connected for Life," and many more.

Also a music video of 'GET IGNIT' from the groups hit album "Terrorist Threats" is included on this DVD.

The DVD drops this Tuesday Oct.26th.

Here is a list of included tracks:
