A new compilation album presented by hip hop notable rap artist Snoop Dogg, 'The Big Squeeze', is scheduled for release Tuesday April 24th, KOCH Records and Doggy Style Records.

The album features up-and-coming West Coast hip hop and rap acts Westurn Union (Damani, Soopafly, and Bad Lucc), The Warzone, Terrace Martin, Azuré. Hip hop rapper Snoop produced 16 of the tracks on the album and is featured on 12 tracks.

Snoop tells us, "I basically wanted to produce these tracks from up and coming West Coast acts. I see a new West Coast and it's right here-- and it's brought to you by the King of the West Coast."

After 15 years in the hip hop game, 9 albums to his credit, 15+ million units sold worldwide, few hip hop rappers can match Snoop Dogg's track record.

Snoop Dogg's current hit album 'Blue Carpet Treatment', has re-cemented his status as the premiere rap icon of the West. On the heels of a sold-out European tour, Bigg Snoop Dogg continues to bring the heat with 'The Big Squeeze'.

This latest collection of bangers from his label Doggy Style Records features an all-star roster of the Best-in-the-West, featuring tracks by Snoop, and hip hop and rap artists Kurupt, Warzone, Westurn Union, Chuck, Terrace Martin, Azuré, Ray J and more!

The first single, "Hat 2 Tha Bacc," by Westurn Union produced by Niggaracci and will be serviced to radio shortly.
