Christian Rap Artists Blue Chip and Specialist of the stellar award nominated Righteous Riders will premier their new music video "Game Over" TODAY exclusively on the #1 Christian hip-hop website Rapzilla.com.

The song "Game Over", from their forthcoming CD entitled "Ground Zero" (due out July 8, 2008), was produced by Lamont "Logic" Coleman who has worked with and done production for mainstream hip hop and rap artists such as Wyclef Jean, Cassidy, Shakira, TI, Akon, and Lil' Wayne (just to name of few).

Ivan Rattliff, one of the music video's producers, states, "It's good to see major quality videos from Independent Christian Rap Labels."
