With all the talk that Suge Knight's infamous rap label Death Row Records is dead, there seems to be a lot of movement on Tha Row recently.

Reports are that Suge is busy working on rapper Petey Pablo's album.

The Super Brawl soundtrack will be next up after that.

Production on the Super Brawl Soundtrack is expected to take place once Petey Pablo's disc is wrapped up. R Kelly, rappers: Petey Pablo, Kurupt, Eastwood, Ja Rule, Ashanti, Lloyd, Scarface, Fabolous, Chyna, Too Cool have all said they are willing to appear on the Super Brawl project.

So for all that are saying Tha Row is dead, watch out.; Suge seems to be on the move.
