ThugLifeArmy is pleased to announce we have taken on a new affiliate.

West Side Rap is one of the premier sites for west coast album news.

In linking up with them we hope to be able to bring you updated west coast album news.

They have always been a great asset to us as Tha Schizo is very good at getting back at us when we have a request. So really he has always been there - but now it is official..Check them out [HERE](#) and support the west coast artist and those who bump for them.

Again we"d like to welcome them to the ever growing family here at ThugLifeArmy.com. Make sure you check them out and keep it west...
