The carnival Americana-style event will include such novelties as a kissing booth, cotton candy machine, lemonade stands all powered by sexy Miami girls for guests to indulge. World renowned DJ Kay Slay along with the Bay Area’s assassin, DJ Juice will be on the 1’s & 2’s throughout the day spinning everyone’s favorite tunes.

“We are very excited to be celebrating Memorial Weekend in Miami. This event will be an official roll call to all the exotic and sexy women in Miami, we wanna see you there.

This is the second location to remember the phrase, what goes on in Miami, stays in Miami.

Let’s see how fast you can say that,” says the Speed Mobsta himself.
