I pledge allegiance to my Black People.

I pledge to develop my mind and body to the greatest extent possible.

I will learn all that I can in order to give my best to my People in their struggle for liberation.

I will keep myself physically fit, building a strong body free from drugs and other substances which weaken me and make me less capable of protecting myself, my family and my Black brothers and sisters.

I will unselfishly share my knowledge and understanding with them in order to bring about change more quickly.

I will discipline myself to direct my energies thoughtfully and constructively rather than wasting them in idle hatred.

I will train myself never to hurt or allow others to harm my Black brothers and sisters for I recognize that we need every Black Man, Woman, and Child to be physically, mentally and psychologically strong.

These principles I pledge to practice daily and to teach them to others in order to unite my People.
