PAC Camps serve as a means for Students to explore the possibilities offered by the Arts & Entertainment Industries and discover unknown talents hidden within themselves. By providing individual attention to each participant, students gain an understanding of peer leadership, performance skills and theatrical production. Our instructors are world-renowned artists and industry professionals whose commitment to TASF's mission. This year marks the tenth year anniversary of the Tupac Amaru Shakur Foundation Leadership & Arts Summer Camps. We are now in the following city's Oakland, and Los Angeles California.

We thank you for your support over the years and we look forward to seeing you on July 26, 2008 at the Pac's Kids Summer Camp Production - TASF Staff.
