Afeni Shakur, the mother of the late great rap / hip-hop icon Tupac Shakur will be on TV and radio today (Tuesday) and tomorrow doing interviews. Afeni is rarely doing interviews and even more rare is that she is on TV.

Interviewers include Sway, Angie Martinez, LaLa and others.

With the upcoming Grand Opening of Phase 1 of the Tupac Amaru Shakur Center for the Arts (which includes the Visitor Center & Peace Garden) in Stone Mountain Georgia, set for Saturday June 11, 2005, at 12PM, this may be one thing Afeni will talk about.

You can help complete the Tupac Amaru Shakur Center by participating in the "ONE BRICK AT A TIME" FUNDRAISER

Show support for the Tupac Amaru Shakur Foundation by purchasing a brick engraved with your company logo or your own personal message! Your brick will be constructed into the Peace Garden (Phase 1) of the Tupac Amaru Shakur Center for the Arts.

You can help keep his legacy alive by visiting the Official Tupac web site [HERE](#) and filling out an order form for a brick.

Make sure you watch Afeni and see what she has to say. She has done much to carry on the legacy of her son, Tupac; and we as the hip-hop community should be interested in what she has to say.

Here is a schedule of shows and times. Be sure to check them out and see what Afeni has to say.
