The only 'Official' web site for hip hop icon Tupac Shakur (2Pac), 2PacLegacy.com, has recently been updated with some great news for fans of the hip hop icon.

Some of the updates include:

2PacLegacy.com now has an 'exclusive' Burn Lounge Store, where you can download music by the hip hop icon Tupac, or any other artist, and 100% of the proceeds go to the Tupac Amaru Shakur Foundation.

Tupac was recently ranked number 4 as one of the most popular artists judged by the number of song tracks downloaded via peer-to-peer (P2P) services by U.S. consumers in 2006. So if we, the hip hop community, continue to download legal music lets do it in a way to benefit the TASF.

Pac's Kids, the TASF Center for the Arts in Stone Mountain, Georgia now has a MySpace page. So if you're a MySpace addict you can add them as a friend and keep up on all the goings on with Pac's Kids.

You can find Pac's Kids at - <http://www.myspace.com/pacskids>

Also you can:

Find out how to send Afeni Shakur Davis a birthday greeting for her 60<sup>th</sup> birthday.

Find out more on the 2007 Semi Annual Tupac Amaru Shakur Film Screening.

And there are many other new features added. Be sure to visit the TASF Burn Lounge at <https://www.burnlounge.com/TASF>; and while your there download Pac's Life if you don't already have it.

And don't forget to go to Pac's Kids MySpace at <http://www.myspace.com/pacskids>

Remember 2PacLegacy.com is the only 'Official' Tupac web site on the net. And as Afeni Shakur says on that site – “This site was created for you, the family! Interact with other family on this site. Visit the chat rooms, post messages and tributes and get the latest official news. There are a lot of Pac sites in the world of cyberspace, but this is the only authentic site that I have authorized. We appreciate the other fan sites, but hope you would discourage the ones who promote bootleg releases. To all the legit sites keep up the good work!”

Please visit and support [www.2PacLegacy.com](http://www.2PacLegacy.com) and all that Afeni and the TASF promote and do.
