Marion 'Suge' Knight's Death Row Records and Koch are reissuing some of the most famous hip-hop/rap albums to come out of Death Row Records. The albums will be reissued as DualDiscs and will include videos from those records. All will be released on 11/22.

The rap albums to be reissued are:

'The Very Best Of Death Row',

Dr. Dre's – 'The Chronic',

Snoop Doggy Dogg's – 'Doggystyle',

and two of the late rap icon Tupac Shakur's best albums:

2Pac's 'All Eyez On Me',

and the 'Makaveli – The 7 Day Theory' album.

Don't forget these are all being reissued as DualDiscs and will include videos from those records. All will be released on 11/22 on Death Row/Koch. Watch for them.
