For the last 27 years, George BaBa Eng has been in prison in upstate New York. In all those years, BaBa has taken an uncompromising position against the inhumane treatment of inmates by prison administrators and individual guards. He has filed numerous lawsuits in the courts challenging this illegal state of affairs.

He is a father and grandfather, and since his incarceration he has earned three college degrees. He comes up before the parole board for the third time in December 2005.

Because of his "take no nonsense" approach, the prison administrators have released their Klu Klux Klan guards on BaBa. He has spent almost nine years of his sentence in the boxes/special housing units/isolation units of the New York State prison system because of his activities.

Now he has again been trapped off by a crazed guard and charged with an infraction that is clearly another set-up. We are calling on all supporters of humane treatment for inmates to join the campaign to get these people off his back so he can finish his remaining time without interference before he goes before the parole board.

You can help by doing the following things: Call Comstock Correctional Facility Warden Plescha at (518) 639-5516; register a complaint and demand that BaBa be returned to "population" by writing to Warden Plescha, Comstock Corr. Fac., P.O. Box 51, Comstock NY12821. Or write directly to George BaBa Eng, #77A4777, at the same address.

1 Prisoner, 1 Contact: Imam Jamil Al-Amin

In an effort to make sure that all political prisoners receive correspondence, to honor our comrades and educate the masses, each week as part of the 1 Prisoner, 1 Contact Mandate, the POCC (Prisoners of Conscience Committee), Atlanta PE Class, the Drum Collective and several universities have began to write a different political prisoner as a collective effort.

The rally and press conference is being held in conjunction with the National Shura meeting of Al Ummah (The Community) under the leadership Imam Jamil Al-Amin in Atlanta from Nov. 26-28. The ICNA (Islamic Circle of North America) Southeast Regional Convention is also taking place in Atlanta that same weekend.

Information about the march on Thanksgiving Day is posted to <http://www.assatashakur.org/forums/upload/showthread.php?t=939>.

The current ordeal of Imam Jamil Al-Amin began in March 2000 when two sheriff's deputies were shot, and Imam Jamil was arrested shortly thereafter in Alabama. He was convicted and sentenced to life in prison in a trial rife with improprieties.

He is still being harassed in prison, including forced strip searches in front of female prison
