In an effort to make sure that all Political Prisoners receive correspondence, to honor our Comrades and educate the masses-Each week as part of the 1 Prisoner, 1 Contact Mandate, The POCC (Atlanta PE Class), The Drum Collective, and several Universities have began to write a different Political Prisoner each week as a collective effort.

This week's Political Prisoner is our Comrade Malcolm Shabazz. Malcolm Shabazz is the 19 year old grandson of our Great Ancestor Warrior Bro. Min. Malcolm X. Little Malcolm was framed on some B.S. armed robbery charges in the city of New York by New York State Police.

His case is further proof that when the state declares war on you, it is war on you and all of yours that come after you.

Malcolm Shabazz is Brother Min. Malcolm's only male heir to the throne, so you know they want to destroy him. They did it with Brother Min. Malcolm and we will not accept a repeat of history.

The Brother's mailing address is:
