The true godfather of Hip-Hop culture calls for everyone of every color, religion, age, gender, nation, organization, business, community, temple, church, synagogue and beyond to attend this meeting Wednesday, FEB 22, 2006 at 6 pm at the National Black Theater 2033 Fifth Ave at 125th St. in Harlem. (Take the 2 or 3 to 125th.)

Hip-hop's godfather Afrika Bambaataa wants to bring everyone together to discuss plans of action on how to confront and protest the currently unbalanced media: radio, TV, etc. He wrote, "The fight for 2006 is on to save Hip Hop culture. Time to raise the army of people who will put the power of the Supreme Force on these satanist bastards, who are trying to control the minds of the Hip Hop World Nation.

All who stand on the side of the Supreme Force, who is called by many names, STOP BEING SCARED! STAND UP AND RAISE YOUR VOICE and then GET TO WORK TO EXPOSE THESE DAMN RECORD LABELS, RADIO STATIONS, TV HIP HOP SHOWS OR WHATEVER SHOWS THAT DEPICT US IN A B.S. STEREOTYPE OF JUST BEING PIMPS, PLAYAS, GANGSTERS, H*ES, STRAIGHT UP N[WORDS]....or any other derogatory word that they use and we use to call ourselves!"

SEE YOU THERE! Info courtesy of Afrika Bambaataa.
