This Month's issue of **THE SOURCE** (March 2008 with Akon on the Cover) has an article titled "The War Outside" featuring community activists working to stop the violence in our communities. One of the Activists featured is One HOOD founding member and Grand Arkitech of X-Clan

All who have seen it have called it an experience like no other. Is it a play? Is it a concert? Is it a motivational presentation? Yes! Yes! And, yes! It's all of the above - and then some. This is Hip-Hop Detoxx and it's going down Saturday night. This is an experience you certainly don't want to miss.

I WILL HAVE THAT X (CDS) AND T-SHIRTS FOR SALE AT SAVIOURS" DAY COME CHECK ME OUT IN THE VENDING AREA!!!

FORTH: Say a special prayer for our Brother the **legendary Professor Griff** of Public Enemy. Professor Griff just lost his home to a gas fire a few days ago.
