May 1, 2006 is the date set for "El Gran Paro Americano 2006" - "The Great American Boycott 2006".

"Un dia sin inmigrante" "A day without an immigrant" is a Nationwide General Immigrant Strike and you are urged to wear White T shirts on that day.

The action to take place is No Work, No School, No Sales, and No Buying, and also to have rallies around symbols of economic trade in your areas (stock exchanges, anti-immigrant corporations, etc.) at May 1st to protest the anti-immigrant bill.

On May 1, you are urged to wear "white" a T-Shirt and/or white arm bands, you can paint and write our political demands (and creative arts) at the T-shirt go to rally, protest, strike, vigil, work or school--we will have a ocean of white T-shirts with our political demands from east coast to west coast, at the street, work place, school, bus station & store and our voice will be LOUD AND CLEAR AND CANNOT BE SILENT FOR EVER!

Settling for nothing less than full amnesty and dignity for the millions of undocumented workers presently in the U.S. The believe is that increased enforcement is a step in the wrong direction and will only serve to facilitate more tragedies along the Mexican-U.S. border in terms of deaths and family separation.
