This giveaway has ended. Winners are being notified. Thanks to all who entered.

The book 'Tupac Shakur Legacy' is far more than just a book. It is a unique and special tribute to the memory of the fallen hip-hop icon and irreplaceable genius Tupac Shakur. Becker & Mayar and Atria Books have put together this hands-on, interactive, portable museum that's not just a portrait of the artist, but a knowing, revealing glimpse into the world and mind of one of hip-hop's most revered poets.

10 years after the tragic, still unsolved murder of hip-hop icon Tupac Shakur (2Pac), Jamal Joseph presents the story of hip-hop icon, rap artist, political spokesman, poet, actor, writer, humanitarian and entrepreneur Tupac Amaru Shakur (2Pac).

Using recovered and removable exact replicas of documents, including everything from a 1984 playbill for a Harlem festival featuring a very young Shakur to the infamous handwritten contract with Suge Knight and Death Row Records, 'TUPAC SHAKUR LEGACY' stands alone in revealing the superstar as he saw himself: both supremely confident and supremely vulnerable.

Thanks to Jamal Joseph and Atria Books-Washington Square Press (a division of Simon & Schuster) we at thuglifearmy.com are please to offer a few copies of the book 'Tupac Shakur Legacy' as a give away to our visitors.

The give away will run until August 31st. To enter email us [HERE](#) and add **Tupac Shakur Legacy** to the subject line of your email.

Following this give away Johnny "J", friend and business partner of the late hip-hop icon Tupac will be personally sponsoring another give away for the book. That give away will be a joint give away with our affiliate CRNLive.com. It will also coincide with the debut of Thug Life Army Radio on the net at www.TLARadio.com .

In stories only known to his closest friends and family, 'TUPAC SHAKUR LEGACY' covers everything, from his early childhood in Harlem, to his quick rise to stardom, through his incarceration and subsequent release, to his last, triumphant years in the eyes of his adoring public. In this unusual scrapbook, 'TUPAC SHAKUR LEGACY' tells of a singular life, one full of grittiness and heart – and one imbued, at its core, in honesty and passion.

A CD is also included in the book with interviews Tupac did back in the day. This book is a quality project and a great source for all fans of the slain hip-hop icon Tupac Shakur.

Remember the give away ends August 31st, so get registered now for this give away.
