Thanks to Canibus and Phoenix Orion, and also First Kut Records and Head Trauma Records for providing the giveaway and thanks to all who entered.

East Coast hip-hop and the rap world in general was deeply impacted in the mid-90s, when a brilliantly talented upstart street poet and performer Canibus appeared on the scene.

Rap artist Canibus has been a star on the underground hip-hop mix tape scene, he had a misunderstanding with superstar rap artist LL Cool J, which led to a longstanding feud that changed the course of his career, he has had a handful of indie releases, he did a year and a half as part of the U.S. Army's Stryker Brigade; and now he is back with his new CD/DVD release Def Con Zero.

The new CD/DVD release from Canibus 'Def Con Zero' is his old hardcore style, in your face hip-hop. And in his revolutionary fashion, the hour long DVD is also the first of its kind for a rap project.

Thanks to Canibus and Phoenix Orion, and also First Kut Records and Head Trauma Records we are very pleased to be offering the 'Def Con Zero' CD/DVD as one of our current giveaways.

To register for this give away send an email [HERE](#) and write Canibus in the subject line. The give away will end January 1st, 2006 so get in on this. Winners will be notified by email and at that time you will be asked for your mailing address (no P.O. Boxes Please).

Now based in Las Vegas amid a fast growing hip-hop / rap community and recording industry, Canibus explains that "Def Con Zero shows once again my allegiance to and the integrity of my music. What pleases me is that it falls in line with the technical strength and lyrical dexterity of
