West coast rap artist Boo Kapone is dropping a new mix tape titled "Assassination Of Boo Kapone Mixtape Vol. 1", executive produced by Binky Mack and Boo Kapone.

Boo Kapone is on the grind and with production by Scott Storch, Mr. Pazback, The Produkt (Binky Mack and DonDoe) and more, he has taken his skillz to a higher level.

On the mix tape, "Assassination Of Boo Kapone Mixtape Vol. 1", he has features with the likes of fellow rap artists U-God, MC Eiht, Squeak Ru and more.

Binky Mack from The Produkt and from the super rap duo AllFromTha I says "This mixtape is rugged with rugged mixes. We will release Vol. 2 before the year is out."

The west coast rapper Boo Kapone will then follow up the Vol.2 mix tape release with the release of his full blown album in early 2006.

'One thing about Boo is, everybody in the rap game loves him. If they don't know him by name, they remember the nigga by face. Raekwon, Nas, Method Man, Redman, Dr Dre (loves the nigga), LL Cool J, The Lox, Fat Joe (loves the nigga), etc etc etc. The nigga has a east coast presence as well as the west and now it is time to unleash this nigga," says Binky Mack.

The streets have been anticipating the album from Boo Kapone for awhile now and it is only months away until his impact will be felt in the rap game. Check out the mix tapes and be aware that Boo Kapone is coming and coming strong.
