

Outthere from Kat Klaw Productions and affiliate of W.H. Entertainment and Street Stylez DVD, producer for artist B-Real, Fatal Hussain, Minus P, and now Rocness is working on a new project called "Beat To Death 4" featuring original hot beats for MC's to peep and do they thing to, as well as some of the industries hottest, spitting over his production.

In preparation for what seems to be the biggest Summer production from Kat Klaw and it's affiliates, the aid of veterans such as Treach (Naughty By Nature), B-Real (Cypress Hill), Rocness (Heltah Skeltah), Fatal Hussain and new-comer Minus P have been called upon, and they have answered with features on this compilation!

Peep the 7 minute video of some of the studio work being done featuring Rockness: [HERE](#) .

As far as the Minus P project "The Best in the Heights vol 1", Outthere says "Everything is going great with that, I got a couple of joints in there and Minus got drops or collabs from DJ Big Mike, Stat Quo (Shady/AfterMath), Immortal Technique, DJ L Boogs (Heavy Hitters), J-Zone, B-Real, Angelous (K-Class), Mey Vidal (esa Cubana), Mr. Cartoon and some other unconfirmed stuff going on. It'

s a good look for both of us" He continues to say "I'm proud of where this is headed, both projects.

Minus' debut album, where I produced most of it is sold out as of last week, check the site sold out, people ate that up, so I know this is going to do that or better.

This they will not expect".
