On Sunday nights: don't forget to tune into 106.1 KMEL every Sunday night from 11pm – 1am for the “On The Block” show hosted by Big Von with Scotty Fox which features all BAY AREA music.

I've been tuning in every Sunday to check out the show and thought we should start a thread each Sunday or post [here](#) and anyone listening to the show on Raptalk should post up the song titles and artists as they are played on the show.

If you can't get KMEL on the radio you can also listen online at www.106KMEL.com. Call the station at 1 800 955-KMEL (5635) and show some support by requesting a song from your favorite BAY AREA artist!!!

Hopefully we can get more local artists played on the show. Submit your music to the show by sending it to:
