Hip-Hop same ol, same ol- Award

2005-Crunk videos, hoes, tricked out cars, gold teeth, spinning rims, champagne, bling, dancing in the club or spinnin on a pole. It looks like the same 30 women, the same 7 clubs, the same 20 cars, the same 5 recycled beats. Hands down Crunk videos win this coveted award

2006-Crunk videos, tired hoes, tricked out cars, gold teeth, spinning rims, champagne, bling, dancing in the club or spinnin on a pole. It looks like the same 30 women, the same 7 clubs, the same 20 cars, the same 5 recycled beats. Hands down Crunk videos win this coveted award

Hip Hop Sucker of the Year- Award 2005-This is a tough one, should be shared and was really fought for by many, but the winner is Arnold Swarzeniggerr Signed a death warrant for Tookie Williams because he said Tookie dedicated his book to political prisoners. In Austria (are there any people of color living there?) there is a movement to strip the bodybuilder of his Austrian citizenship and change the name of a football field named after him to "Tookie Williams Stadium". Arnold is the winner for being a cold hearted punk.

2006- George Bush gets to share this hard earned award with Donald Rumsfield, Condalezza Rice, Dick Cheney and Halliburton. Even after the midterm elections kicked his parties butt, even after 3000 dead soldiers, even after the Baker Report told him he was dead wrong. He plans to "Stay The Course".

Hip Hop Cartoon- Award

2005-(I'm going to get heat from the self righteous and thin skinned on this one fo" sho). "The Boondocks" by Aaron McGruder is laugh out loud funny as hell and dead on point. Yes, I know he wears out the N word, maybe that's his point. The Award goes to "The Boondocks"

Hip Hop Sell Out Ho of The Year-Award 2005-Yes there were many, but the winner beat out Superhead by a country mile for being cold hearted, mean spirited, just plain tacky and a bone ugly, gap tooth mess. For shopping at Ferragamo's for \$8000.00 shoes on 5th Avenue in NYC while tens of thousand of her brothers and sisters were struggling to stay alive without food, water or shelter, five days after Katrina struck.....the award goes to a skeezer named Condelezza Rice

2005-For recycling and jacking more beats than Rap, for more bling than in any Crunk video, for more half nude hootchies and for shaking more booties than rap and even more tricked out rides.....This award goes to Reggaeton

2006- Reggaeton again.

Hip Hop "You was hot and now you're not"- Award

2005-You could fill a stadium with these potential award winners. We would have to do this in alphabetical order to be fair to everyone.

But the two that win by a landslide are The Source (for being drama queens and dissing everyone from 50 to Eminem) Vibe magazines (for having Bow Wow on the cover with fake hair Queen Ciara, then doing Mary J. Blige dirty by having a shot of her that made her look like an alien water bug).

2006-Dana Dane (who?) for twice whining, bitching and moaning to me that he did not make the final cut into my book "Who Shot ya?". Thanks to his ill manners he will also not make the final cut into my next two books.

Hip Hop Wackest- Award

2005-It's would have been tough to narrow this one down except the winner risked his life to earn this award and proved that all his conscious lyrics came from smoking too much of his namesake. For joining the Army and asking to go fight in an illegal, immoral war in Iraq... the unchallenged winner by first round knockout is Canibus

2006-Crowded field. Damn near every repetitive, corny, totally played out crunk/Rap/R & B video.

Hip Hop Diva- Award

2005-Again this should have multiple winners but by her antics, lost voice and nutty behavior she even beats out the crazy Mulatto Mariah. She demands nobody look at her, they must face the wall and even then just call her Ms. Hill. So I will respect her wishes, Ms. Lauryn Hill you just won the Diva Award. (her award is a bronzed copy of the Betty Boop wig she wore after her 5 year retirement).

2006- Kanye West for whining, bitching and moaning that he has not gotten enough b.s. industry awards after making the most b.s industry type videos including a dumb ass, wack video with Pamela Anderson and a totally muddled "blood diamonds" mess style video where he promises to keep his Jesus Piece no matter who dies in getting the diamonds out of the Earth-say what?

Hip Hop Master Detective Sherlock Holmes- Award

2005- For brilliant,outstanding, amazing forensic work, fantastic police work as well as swift solutions. For going way beyond the call of duty and critical analysis of the facts at hand. This award will have to be shared by the NYPD, the LAPD and the Las Vegas PD for their not solving the murders of Big, Tupac (2Pac) or Jam Master Jay after all these years they will be presented with the First Annual Gas Face Awards.
