---

The Family Violence Prevention section is updated twice a month. We urge women and children and all to check it out.

They provide us with valuable and useful information that needs to be addressed and looked at by all.

In the current issue you can find -  
Ashcroft Fails To Decide Key Immigration Case  
Tsunami Relief  
The Amazing (Disg)race  
In Their Own Words  
In the News  
Save the Date

Keep up with all the current events and news they have to offer [HERE](#)
