Renegade Foxxx

The debut album from rap and hip-hop artist Renegade Foxxx called 'Still Hustlin' is now ready for worldwide release.

Universal has given a release date of May 17th for Foxxx's greatly anticipated drop. This album is already making noise in the industry and on the streets.

A few tracks are currently on BET and there are tracks hitting the airwaves. 'Scream (Get it Right)' featuring Trina and 'Anything U Want' featuring Renegade Foxxx with rap artists Petey Pablo and the Young Bloodz are already making noise.

The album features hip-hop and rap artists E-40, Petey Pablo, Young Bloodz, Trina, Prodigy, Bone Crusher, Memphis Bleek and another Still Hustlin Records artist Kym Rae, and others.

The album also features a few 'skit' tracks taken from an interview Renegade Foxxx did with Robert of ThugLifeArmy.com (Click [HERE](#) to read the interview).

Renegade Foxxx is in the current edition of the Source and will be in the May edition of the XXL magazine.

Check out Renegade Foxxx in the Source and XXL and be sure to pick up the album May 17th.
