Percy Robert Miller is a hip hop artist entrepreneur, businessman, marketing expert, and hip hop / rap record label founder.

Better known in hip hop culture as Master P, he has announced that he will re-release his album 'Ghetto D', in a 10th Anniversary Edition. Originally released in 1997, 'Ghetto D' at the last RIAA certification had sold over 3,000,000 copies. Not bad for a hip hop / rap album to go platinum three times.

Ghetto D: 10th Anniversary Edition will include four bonus tracks that are previously unreleased.

There were many hip hop singles on the album, some of which were : "Make em say uhhh", "Ghetto D", "I miss my homies", "Bourbons & Lacs", "Lets get em" & "Weed and Money". Older hip hop heads will remember them and younger hip hop heads should check them out. Master P has been in the hip hop game since 1990 and has traveled many roads in hip hop and beyond.

Ghetto D: 10th Anniversary Edition will be released on May 8th thru Capitol/Priority/No Limit Records.
