For those wanting some pure west coast sound, today April 19th, AllFrumTha I drops their new album 'Larger Than Life'.

This album is one of the best to come out of the west recently. It includes the hit singles 'Lil Moma' 'Runnin This' and 'Hero'.

The duo is composed of hip-hop rap artists Squeak Ru and Binky Mack and their name AllFrumTha I stands for 'We're All From Inglewood'.

The 'Larger Than Life' album, their third and best album to date; features their extended family including Boo Kapone and The RoadDawgs and production work from The Produkt (Binky Mack and DonDoe).

Squeak Ru and Binky Mack have crafted an album that blends a sense of mature introspection with heaters, anthems and club bangers you would expect from these West Coast rap veterans.

The Inglewood hip-hop rap veterans Squeak Ru and Binky Mack speak on their new album in interviews with ThugLifeArmy.com, you can find those here – [Binky Mack Interview](#) ---- [Squeak Ru Interview](#)
