The "surreal" affair grows into "strange love" as VH1 reunites Brigitte Nielsen and Public Enemy rap and hip-hop artist Flavor Flav to rekindle their love in the finale of their very own series.

The Final Episode #110: will air Sunday 04/10 @ 9:00PM

Brigitte receives her ticket home. She's leaving. Her impending departure brings out the desperate side of rap artist Flav. He tells Brigitte that if she moves to America he will help her raise her kids. He tells her not to marry Mattias.

If she has to go home, he wants her to at least stay single so they have a chance together.

It's hard to tell where Brigitte's heart lies. She loves her Flav, but this whole experience has left her emotionally exhausted. She's confused about what to do, and that's BEFORE they get to the wedding chapel.

So will they or won't they? With these two it is hard to imagine what will happen. Make sure you catch the special one-hour season finale of "Strange Love", (Premieres Sunday April 10 9PM ; * all times ET/PT). See if there is going to be a new Mrs. Flavor Flav.
