We all have heard the new "Ghetto Gospel" off the upcoming Tupac "Loyal to the Game" cd.

It features Elton John, produced by Eminem and has that same marching band beat that Eminem is getting known for.

Mr. Cynical has re-mixed it West Coast style. So check out what Mr. Cynical has to say and how it could be done; West Coast style.

If your not aware of Mr.Cynical - HE IS THE KING OF THE WEST COAST RE-MIX. Some of the tightest west coast re mix tapes come from Mr. Cynical.
