

Hip Hop Marvel ODB Tribute Wu-Tang Clan Demo Cuts - Deluxe Edition

Written by Robert ID4096

Saturday, 15 December 2007 02:24 -

Back in the early days of hip hop and rap Mixtapes were released by DJs as a promotional tool to promote a hip hop or rap artist or album. Then came the so called mixtape CDs which hip hop fans welcomed and embraced with ease, even now hip hop and rap artists have gone as far as releasing mixtapes via labels and record companies like albums.

The digital age is definitely here to stay as these days the mixtapes, albums and even movies are now being released in downloadable formats. No one if for certain if will mark the end of CDs as we know it.

Without straying away too much away from the topic at hand, Wu Music Group / Louds.com in conjunction with Allah Mathematics just released a free 8 Diagrams Mixtapes for the fans to download.

It must be a season of well wishes as nothing is for free as they normally say. Ol' Dirty Bastard, a founding member of the legendary hip hop group Wu-Tang Clan and one of the most eccentric personalities in hip-hop, died on the 13th of November 2004 in New York. Making sure his legacy lives on through his music some fans have come together to release an exclusive tribute to ODB called Wu-Tang Clan Demo Cuts - Delux Edition, this is a free for download on line via megaupload or rapidshare.

Fans at xspliff0.net and it contains rare and exclusive unreleased Wu-tang songs, from back in the glory days if hip hop with collectives such as All In Together, DMD Posse, from the Clan's demo tapes etc. put together by Lookasss, Abbott Not to be confused with The RZA), Perfecta, and supermushroom from xspliff0.net .

24 exclusive songs, check out www.wu-international.com or www.xspliff0.net for the download link.
