The National Black United Front - Houston Chapter (NBUF) needs to raise \$25,000.00 in the next 14-20 days (approximate) to meet financial obligations for our building. Over the past 25 years the Houston Chapter has worked tirelessly in the Black/African community locally, nationally and internationally. The all volunteer membership has been dedicated and unyielding in it's commitment to serve for countless major issues, programs, causes, events, actions and opportunities. From 1995-1997 the members put in 40,000 volunteer hours in changing the substance and face of our community by renovating a former drug den into our headquarters. Today, we need your help in continuing to stand strong on the principle of Self-Determination and serve our community.

5 people @ \$5,000, 250 people @ \$100, or enough people at \$5.00 will help
