It's Edutainment/YouthVoice tonight and every Friday on www.GAP-Radio.com (Global Africa People's Radio), part of our quest to Heal, Strengthen, Entertain, Educate, Empower and Celebrate our Global African Family.

Tonight we welcome in our studio two dynamic individual artists, friends from both sides of the Gender Divide. They are Poet/Singer/Actor FLOetic Lara, and Hop-Hop / RAP artist Jimi Whisperz.

Join us and the rest of the Global African family tonight, Friday 3rd March 2006, at 8.00pm to 10.00pm GMT (3.00pm EST 12.00pm PST, 10.00pm EAT) for another edition of Edutainment / YouthVoice when Brother Whisperz (hip-hop and rap artist), and Sister Flo will give us a taste of their Musical and Poetic talents and discuss the role of Entertainment Culture in our fight for Global African Liberation.
